

## How to use Zoom BREAKOUT ROOMS

The tool enables participants of a virtual meeting to access their assigned rooms.

## **ZOOM BREAKOUT ROOMS**

1. To join the **online meetings** please **click on "Join the Meeting Online"** in your **Agenda** on b.square.

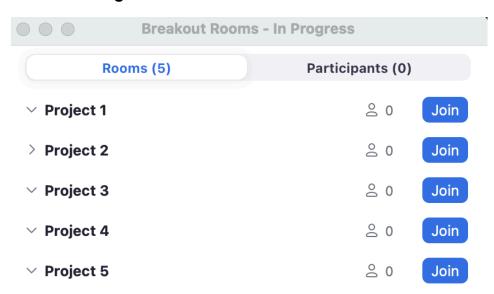

2. After you enter the main room, click on the bottom on "Breakout Rooms".

3. Then click on "Join" near the Project title you have to meet to join the virtual meeting.

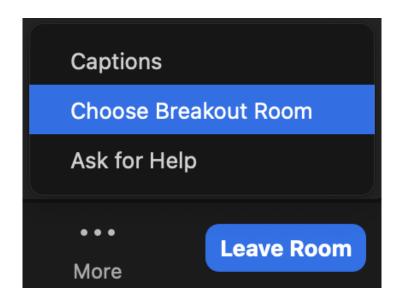

4. Once the **meeting ends**, click on **"Breakout Rooms"** and **join your next** meeting.

If you can't find "Breakout Rooms", click on "More" on the bottom right and then on "Choose Breakout Room" to join your next meeting.

- 5. You can **leave the Breakout Room** and go back to **the Main Room** to **request support** to the organization in case you require assistance.
- 6. If you have time between a meeting and the other you can leave the meeting and re-enter using the link of the schedule at any time or attend another meeting.
